

# KAWARTHA ETHANOL INC.

Kawartha Ethanol Inc. is a state-of-the-art Ethanol Production facility located in Havelock, Ontario. We currently have the opportunity for the following position:

## Shipping Operator

Kawartha Ethanol is a 24 hour, 365 day/yr. operation. This is currently a Monday to Friday position, but may transition to shift. The shipping operator is responsible for ensuring that products are shipped in a safe, efficient manner and that products are within specifications.

### Responsibilities / Expectations

- Safely & efficiently monitor the operation of equipment using a combination of computer displays, meters, gauges and recording devices
- Operate all equipment necessary for the loading of alcohol
- Direct drivers to position vehicles for efficient loading and unloading
- Ensure alcohol is loaded to correct procedures without contamination
- Sample and test alcohol using specialized equipment and procedures
- Unload denaturants and other chemicals
- Record data, actions, incidents, instructions, etc.
- Maintain cleanliness and sanitization of process areas, lab and control rooms
- Actively participate in continuous process improvement opportunities
- Follow all plant policies & procedures
- Complete detailed root cause/corrective action reports

Preference will be given to candidate's who have accomplished any of the following:

- Previous experience in a chemical plant or similar production facility.
- Good knowledge of Environmental and Health & Safety regulatory and legal requirements.

Skills listed below would be an asset:

- Competent in reading & understanding policies, documents & drawings
- Proficient with Microsoft Office
- Eager to learn
- A hands-on individual who enjoys working in a dynamic plant environment
- Self starter, action oriented
- Good troubleshooting skills and a natural attention to detail
- Good written and verbal communication skills
